

Law Enforcement Officers
Killed In The Line Of Duty
A Report from the American Police Hall of Fame and Museum

American Police Hall of Fame Final Roll Call

Archival Records: Jamie Maynard

It is with deep regret that we announce the loss of the following law enforcement officers. We urge every person who reads this report to take a moment to reflect upon the duties, obligations and dangers inherent to the law enforcement profession and to send a letter of condolence to the family in care of his or her department. Even though the loss may have been some months ago, the family is comforted by the outpouring of cards and letters, especially from others who have suffered the loss of a loved one and people who sincerely care. In each instance, the American Police Hall of Fame sends a posthumous Medal of Honor and a citation to the family in care of the department, along with a grant for emergency assistance and grief counseling through the generosity of donors to the American Federation of Police & Concerned Citizens. In addition, the name, rank and department of each officer will be engraved on the memorial at the American Police Hall of Fame as a lasting tribute and remembrance of their ultimate "line of duty" sacrifice.
